

Bob Murphy's Knight History

Joined the Knights as a charter member of council 8345 in 1982.

I was inactive from 1985 to 1996 due to my work requirements as a restaurant manager and regional manager offered me no time.

I re-activated in 1996 following the death of my wife and the job requirements eased as well giving me more time to work with the Knights.

I served the council as Chancellor for 2 years, Deputy Grand Knight for 1 year and Grand Knight for 2 years. During my 1st year as Grand Knight our council received the Star council award. Also, during my 2nd year, the state convention was held in Billings and I was elected as delegate. I learned a lot about the many projects the knights do in the state as well as our council.

I chaired many council fund-raising events involving cooking such as parish picnics, breakfasts. As a council leader I spent a lot of time joining my brother knights in the council projects.

In 2002 our parish could not find a Religious Education Director, so I volunteered to take the job (just to get it started) and spent 4 wonderful years working with the children of the parish.

In 2004 I was elected Montana State Secretary and served in that position for 2 years.

In 2006 I was elected Montana State Deputy and served in that position for 2 years.

I have been active with the State and Council ever since

I have been to many Supreme Conventions and place my name in for delegate this year. Having been to Supreme conventions in the past, I will accept the position if no younger and newer knight is active in his council and state council activities, and shows interest in the position.

Vivat Jesus

Bob Murphy
