

Joshua Twichel joined the Knights of Columbus in 2008. Since that time he has been very active in his home Council. He has filled the Council Officer rolls of Recorder, Deputy Grand Knight and Grand Knight. He is the current State Warden. Josh an active parishioner at St. Patrick Co-Cathedral. Currently he helps with ushering and watches the door on religious education evenings. He has also helped with the Religious Ed junior high program, as a teacher in years past. Josh is married to his wife Susan, and the two of them have five children. Their oldest son is in the Navy. The four younger children are attending Billings Catholic Schools.

Josh is the best choice for State Warden, as he put all the work into planning the 2020 Convention in Billings, (that has been postponed until 2021, in Billings). He would like to see the convention through fruition, and would appreciate your vote for him as the next State Warden.
