

KNIGHTS OF COLUMBUS

Montana State Council

State Deputy

April 2020

Worthy State Chaplain, Worthy Supreme Representative, Worthy Immediate Past State Deputy, Worthy Past State Deputies, Worthy State Officers, Worthy State Directors, and Worthy Brother Knights:

More changes, expected and unexpected, came this past year. We continued with safe guarding our youth by Safe Environment training, developing new activities through Faith in Action, building upon our Circle of Honor award and introducing the New Charity, Unity and Fraternity Exemplification. But, we didn't expect an event that threatened to derail our mission, Covid 19. We are still in business helping our neighbors, supporting our priests, giving blood and donating to food banks. Father McGivney's challenge of "helping the widow & orphan" lives on in Montana.

As State Deputy, I attended training in New Haven, and Midyear training in Orlando. As State Deputy, I conducted the Organizational Meeting, Midyear Meeting and assisted with the training sessions in many councils. As State Deputy, I have attended numerous district and council meetings.

I have enjoyed being the State Deputy. Please remember the lessons learned in our Degrees of Charity, Unity and Fraternity.

Thank You to our State Officers, District Deputy's, State Chairmen, KC Insurance staff, Council Officers and Brother Knights for your volunteer service to our jurisdiction. Stay healthy, stay safe and stay a Knight.

Vivat Jesus

Allen Cormany – State Deputy Montana

"Father McGivney, Pray for Us!"
