

## Report of the Youth Committee Posters and Essays 2020-2021

Worthy State Chaplain, Supreme Representative, State Officers, Past State Deputies, State Directors and Chairmen, Sirs and Brother Knights:

This past year Covid 19 hampered the KC poster and essay contests like it did with everything. The youth were not in school, they were not in our churches for a while, they are not gathering nearly as much as they typically did. That said we still had a few councils promote and conduct the Keep Christ in Christmas poster contests.

Since we didn't have many contestants this year I thought I would list them in my report. Keep Christ in Christmas poster winners were:

- Ages 5 to 7 was Henry Anthem from Bozeman
- Ages 8 to 10 was Tucker Hansel from Great Falls
- Age 11 to 14 was Marcus Anderson from Great Falls

I would like to thank the Knights from these two councils for promoting and encouraging the poster contest again this year. We have been holding this contest for many years and I hope we see more entrants next year.

All the kids did a great job and as always it was a challenge to pick the winners.

I would encourage all councils to participate in these fun easy contests. We have categories for Drug abuse, alcohol abuse and Keep Christ in Christmas posters every year, as well as our essay contest.

Vivat Jesus!

Kevin Holland
