

State Deputy 2021

Worthy State Chaplain, Supreme Representative, State Officers, Past State Deputies, State Directors and Chairmen, Sirs and Brother Knights:

Welcome to this addition of the Montana Knights of Columbus State Convention! A virtual meeting with a twist! I appreciate all the officers meeting in one place to conduct the business of our council. I also appreciate the sacrifice all District Deputies and delegates are making to conduct these affairs virtually.

Thanks to all in Billings who have worked to host the officers. A special thanks to JP Pendleton of Pendleton Productions for making our live stream possible. Thanks to all officers who have worked to organize all of the reports and other procedural events. Thanks to our tech team for keeping things up to date on the state website (Bernie Adams and Kurt Riehl).

As we proceed with this convention you will see that even though this was a year to forget, many things did carry on through-out the state. Things that will make you proud to be FOUND in the Montana Knights of Columbus. Our faith was truly in action!

I can confidently report that our officers worked hard in their capacities as evidenced by the reports provided. Also, we have managed the council budget well and audits have revealed good care and professionalism.

Again, watch as we unfold this convention. See the good that has been done. Be inspired to bring new ideas, members, leaders, activities and programs to all in our care.

Thank you,

Dan Hallsten
State Deputy
