**State Council**

**119<sup>th</sup> Annual State Convention**  
**April 20-23, 2023**  
**Lewistown, Montana**

Worthy Brother Knights,

It is my pleasure to invite you to the 2023 Montana Knights of Columbus State Convention in the Heart of Montana, Lewistown! It has been seven years since Council 1508 last hosted State Convention, and we feel blessed to have you back in our community.

With the majority of events scheduled for Friday and Saturday, we expect you'll want to arrive Thursday and stay through Sunday. The Lewistown Tourism Business Improvement District is once again sponsoring portions of the convention, so we encourage you to patronize these local businesses when you make your lodging reservations: Calvert Hotel, Yogo Inn, Super 8, B&B Motel, Trails End Motel. At this time the Calvert Hotel is the only one with a reduced convention rate (rates for the other hotels is probably lower than you're finding in other parts of the state); make certain to mention you're coming for the Knights of Columbus State Convention.

Events are slated to be held at St. Leo's Parish, with the business sessions and banquet being held at the Elk's Lodge, located at the Pine Meadows Golf Course.

Expect an opportunity for golf on Thursday, weather permitting. While some of the events are for everyone, a separate agenda will be set for the ladies. Be thinking of your silent auction items benefiting Montana Highway Patrol's Project Hope. We also will be soliciting food and monetary donations for the Central Montana Community Cupboard.

Continue to check back at [montanaknights.org](http://montanaknights.org) for updated information. Coordinate with your Grand Knight and Financial Secretary for your official council representation at convention. Questions? Contact me at 406-366-9765 or [zane.fulbright@gmail.com](mailto:zane.fulbright@gmail.com).

We look forward to seeing you in April!

Vivat Jesus!
