**Report of the State Warden  
2022-2023**

Worthy State Chaplain, Supreme Representative, State Officers, Past State Deputies, State Directors and Chairmen, Sirs and Brother Knights:

This past year we held three State Officer meetings. Our summer 2022 meeting was held virtually. January 13-14, 2023, we met in Helena, with almost all State Officers and District Deputies present. State Officers were introduced to the new COR meeting. After Mass we conducted an Exemplification, bringing new members in to the Helena and East Helena councils.

This winter we coordinated the transfer of materials for State Convention from Deer Lodge to Lewistown, and the lost Crucifix has been found.

Our third meeting of the year is our State Convention, here in Lewistown. I thank our Brother Knights of Council 1508 for their efforts in preparing for this convention, and St. Leo's Parish for their hospitality. State Officers, District Deputies, Sir Knights, and delegates, thank you for your participation in the meeting, Mass, and banquet. Ladies, we hope your experience during this Convention has been rewarding, and we thank you for enriching our community with your service.

As we begin this final quarter of the fraternal year, my focus will be on transitioning with the next State Warden and setting him up for success. Thank you for allowing me to serve as your State Warden this year.

Vivat Jesus!  
Zane Fulbright  
State Warden
